

LOCAL FIRMS HELP BEAUTIFY DOWNTOWN BOYS & GIRLS CLUB

The Fernandina Beach Boys & Girls Club at Indigo and 11th Street recently received significant beautification help from three local firms. Martex Services Landscape Management provided overall project management, as well as all labor and horticultural supplies. Sandhill Container hauled away refuse and Taylor Rentals provided special equipment for the work. All services and supplies were provided free of charge to help spruce up the Boys & Girl Club grounds and play areas, as well as to prepare six raised garden beds for fall and winter vegetables which the kids planted a few days later.

Martex Services employees prepare to plant pansies in the front of the Fernandina Beach Boys & Girls Club at Indigo and 11th. From left to right are Account Managers Henry Cruz and Jake Bolden and Landscape Installation Manager Josh Stafford.

Martex Services Landscape Installation Manager Josh Stafford prepares to plant a flat of pansies in front of the Fernandina Beach Boys & Girls Club.

Martex Services Account Manager Jake Bolden plants fall and winter flowers near the entryway of the Fernandina Beach Boys & Girls Club.

Martex Services Account Manager Henry Cruz enjoys his work beautifying the front of the Fernandina Beach Boys & Girls Club.
